

Dive without tanks.

If you like snorkelling,
you'll just love PowerDiving!,
No dive tanks to carry, refill or wear.

DeckSnorkel

AVAILABLE NOW AT DIVE CENTRE MANLY

All boat owners should have access to below the waterline of their vessel for emergency detangles/retrievals, boat maintenance or hull/running gear cleaning. The PowerDive DeckSnorkel hookah is a compact and affordable system to quickly achieve all of these functions. Simply connect to your ship's power, switch on and 45 seconds later, you are under your boat!

Not only is the DeckSnorkel perfect equipment for any emergency or Do-It-Yourself boat maintenance task, this PowerDive unit is great for just having fun exploring the incredible marine world beneath the waterline from your boat, dinghy or inflatable. If you want to buddy up with family or friends, consider investing in a two-person DoubleDeck or PowerSnorkel unit for double the fun!

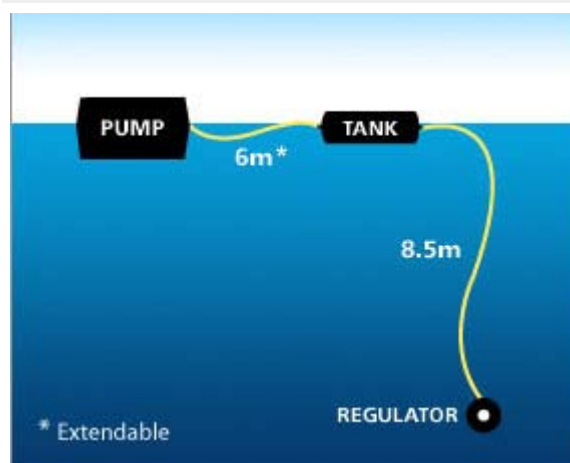

The complete package includes:

- DeckSnorkel Compressor Unit
- Air Reservoir
- Regulator with Dive Harness
- Gear Bag
- 5m Power Cable with clips

Hoses:

- 6m (pump to reservoir)
- 8.5m (reservoir to diver)
